## Section 6: Terms and Conditions

### Applicants understand and agree that:

1. Any grant awarded must be used only for the purposes in the application form. If the Edintore Wind Farm Community Benefit Fund ('the Fund') wishes to change any aspect of the application this will be explained in writing to the applicant. Any unspent funds will be returned to the Fund.
2. No change to the use of the grant is to be made without prior written permission from the Fund.
3. Equipment or assets purchased with a grant may not be sold or disposed of without written permission from the Fund.
4. Any grant awarded cannot be used to pay for costs incurred prior to the date of grant approval or start date of the proposed project, whichever is later.
5. The award of a grant to a group or for a project does not represent any commitment to fund any subsequent work.
6. No changes can be made to the applicant group's constitution during the period covered by the grant as regards its purposes, payment to members of the governing body, distribution of assets or admission of members without prior written consent from the Fund.
7. It is expected any required relevant policies will be in place with regard to e.g. health and safety, equal opportunities, protection of children.
8. The applicant group will inform the Fund of any changes to their bank or building society account details.
9. Applicants will acknowledge the Fund in any published materials and publicity of their project. The applicant group agrees to allow and participate in any publicity by the Fund.
10. Assisted projects may be subject to monitoring in terms of grant spend and activities achieved as agreed with the Fund. Successful applicants will be expected to implement evaluation procedures as appropriate.
11. The grant will not be increased in the event of any overspend.
12. The applicant group will keep all financial records and accounts, including receipts for items purchased with the grant, for at least two years from payment of the grant. The group will make these available to the Fund on request. This does not release the applicant group from statutory obligations to keep financial records for longer periods.
13. Edintore Wind Farm Community Benefit Fund reserves the right to withhold or request repayment of a grant or any part of it in the following circumstances:
  - a) If there is any breach of this contract
  - b) If the application form and supporting documentation was completed dishonestly or with incorrect or misleading information
  - c) If the applicant group does not take steps to ensure equal opportunities in their employment practices, membership and the delivery of the services
  - d) If any member of the governing body, staff or volunteers have acted dishonestly or negligently in

respect of their work for the Fund at any time during the project.

- e) If the applicant group fails to complete the project within the time specified on the Award of Grant Letter.
  - f) If the applicant group ceases to operate, is dissolved or insolvent or is put into administration, receivership or liquidation (sequestration), or an arrangement is made with creditors.
14. If the applicant group is dissolved, the governing body will agree a solution relating to the disposal of equipment or assets with the Fund.
15. These terms and conditions will remain in force so long as any of the grant funds remain unspent and until the relevant reporting and evaluation procedures set out in the Award of Grant Letter have been met. In the case of capital expenditure, these terms and conditions will remain in force until the end of the normal working life of the asset(s).
16. Applicants must complete their project event or purchases within 12 months of the award date and submit an “End of Award” report within six months of the completion of the event or purchase of the funded equipment/services. Any future applications to the fund will not be considered if the panel has not received an End of Award report.
17. The decision of the panel members is final.
18. The community fund is not to be construed in any way as being compensation for the operation and/or existence of the wind farm.
